Mr. Hockless - Sir

I wish you would have the  
kindness to look over my documents which are in  
your office and tell me if the evidence  
is sufficient for you to issue to me a Head-  
right Certificate - if not, tell me what more  
is necessary - also, at what time you could issue  
it - please tell me what a certificate of that size  
is worth in Austin -

By giving this early attention  
you will confer a lasting favor on  
Yours, Grady,  
W. A. Grady
